

December 5, 2011

Dear Crosspoint Family,

What a momentous day! For those of you who missed the service this morning, we wanted to provide a brief overview of the information presented and the results of the congregation's vote.

Several weeks ago, the Search and Lead Teams met with the leadership of Next Level Church and we began to talk about what God could be doing between our two communities. As we talked and discussed, it became apparent that the DNA of our two churches, the blueprint that God had for our communities, were very similar. Over the following weeks, it became apparent that God was calling us to a deeper involvement between our two communities of faith. Two Sundays ago, the Search and Lead Teams met and voted unanimously to call Todd Hahn as Lead Pastor of Crosspoint and, in so doing, merging our two churches.

This morning, the Search and Lead Teams and the leadership of Next Level Church presented this plan to the Crosspoint congregation for the merger of our two churches. Ardrey Kell would be a second campus of Next Level with live teaching and worship...a true, full fledged, second campus of Next Level Church. After discussion and questions, Crosspoint was asked to vote on the affirmation of Todd Hahn as Lead Pastor and the merging of the churches. The vote was 45 to 1 to call Todd Hahn as Lead Pastor and merge Crosspoint and Next Level Church.

Every step of this process has been BATHED in prayer. We stopped numerous times during the middle of our meetings and discussions to again ask God to halt the process if it was not His will that we move forward. The Search and Lead Teams believe that God has brought our two churches together to help further our ministry in the Blakeney, Ballantyne, and Indian Land areas. The church body affirmed this morning that God's hand was evident in bringing our two churches together.

There will be much more info to follow from Todd Hahn and Next Level Church in the days to come as we join together as one family. We are rejoicing together today in the faithfulness of our God through this search. To God be ALL the glory in this coming together of two church families to impact our area for Jesus Christ!

In His grip,

Lead Team
